
DOP Choice Mini Snapbag for CSM-60 series fixtures - Large

DOP Choice Creamsource Mini Snapbag

Reference: CSM-SNAPBAG-L
EAN13: -

The new larger SNAPBAG® is the latest product line from DoPchoice.

Attach to the front of your Creamsource to create an even larger, softer source, while still maintaining decent “kick”.

These self-expanding softboxes for Doppio have the key advantage of speeding free setup, and are quick and easy to install or remove.
