

PSU 450 Back Mount For CS Fixtures

Outsight Creamsource PSU 450 Back Mount For CS Fixtures

Reference: CS-MOUNT-PSU-450

EAN13: -

This bracket fits onto the back of the Creamsource Doppio fixture and allows the power supply to be securely attached, simplifying rigging in studio applications. 3/8" bolts are supplied to attach the power supply onto the frame. Constructed from bent aluminium with black powder coating.
