

CN-30F LED Fresnel Lighting

Reference: 31-1008

EAN13: 6949987440413

1. Passive air cooling for silent operation
2. Removable fresnel lens design, can match with other accessories
3. High efficiency COB LED, low power consumption

Caractéristiques :

Poids (kg): 1650

Dimensions en mm (L x l x H): 300 x 180 x 150

Consommation / Puissance (W): 30

Luminance: 2494 lumens

CRI/CQS: 95

Température de couleur: 5600K/3200K

Contrôle de luminosité: Variateur /WiFi /2,4G wireless control

LED COB bulbs: 1PC
