

RUN N' GUN KIT

This is the original XTENDER® articulating arm. The Run N' Gun Kit is a light weight ENG arm that when unfolded reaches a length of over 19 inches.

Reference: X-RNG

EAN13: 859005002386

The XTENDER® Run N' Gun Kit (X-RNG) is great for supporting lights and small monitors up to 19" away from the camera. When the arm is collapsed it will lay parallel on the camera handle. This arm mounts 1/4"-20 female or male to accessory and 1/4"-20 or shoe to camera.

This kit is recommended for full size ENG cameras.

This kit includes:

- 1-19" XTENDER® Articulating Arm (X-110)
- 1-Shoe Mount (CSM-20)
- 1-1/4"-20 Mount (LCSM-10)
- 1-Monitor/Light Mount (MM-10)
