

Friction Mount Right Angle Adapter for Apollo and Odyssey 7 Series Monitors/Recorders

The Right Angle Adapter is made for the Convergent Design Odyssey 7 Series and Apollo Monitor/Recorders. It has an Anti-Twist Lock built in.

Reference: X-FMRA-10
EAN13: 859005002539

Introducing the XTENDER® Friction Mount Right Angle Adapter for Apollo and Odyssey 7 Series Monitors/Recorders. It will also work on those products that have 1/4"-20" threads directly behind the unit. This adapter has an added Anti-Twist Lock to prevent the Convergent Design Apollo and Odyssey 7 Series Monitor/Recorders from twisting. This adapter attaches directly to the Friction Mount Yoke using a 1/4"-20 threaded screw.
