

Universal Light Post Adapter (1/4"-20 and Shoe Mount)

Tired of buying to separate products to mount your accessory to a light stand. Well the wait is over with the XTENDER® Universal Light Post Adapter.

Reference: X-LPA-200
EAN13: 859005002669

The XTENDER® (X-LPA-200) Universal Light Post Adapter allows you to attach any product such as a light or monitor to a light stand, clamp or post. The adapter has a 1/4"-20 female thread and a shoe built right in. It also works perfectly with the XTENDER® Friction Mount, Articulating Arm or Straight Arm.

This is a great accessory for your gear bag.
