

Single 15mm Rod Clamp w/Shoe Adapter and Ratcheting Tightening Knob

You need to mount your shoe accessory onto your rigs 15mm rods and you don't know what to do? Get the 15mm Rod Clamp w/ Shoe Adapter from XTENDER®.

Reference: X-SFRC-20-2
EAN13: 859005002485

The XTENDER® (SFRC-20-2) Single 15mm Rod Clamp w/ Shoe Adapter allows you to attach any XTENDER® Friction Mount, arm or shoe mount camera accessory to your 15mm rod system . The mount has a 1/4"-20 thread on top with a set screw to lock your accessory into place.

Included in this kit is the (X-CSR-10) Shoe Adapter which slides onto the Rod Clamp to create a shoe mount version.

Includes Ratcheting Tightening Knob.
