

Suction Cup Set For Tube D20

Suction Cup Set For Tube D20

Reference: 200SCK3

EAN13: 8024221558999

Manfrotto

Rubber suction cup foot (set of 3) with retractable stainless steel spike. The suction cup increases the suitable area of the tripod's feet, giving much greater stability when needed. The foot can be removed and replaced at will. For tripods: 055XB, 055XDB, 055XPROB
