

## Divine 160 RGBW

Including Universal Base Adaptor

Reference: Divine-160-RGBW

EAN13: -

**ROBE**

The Divine 160 is a high-performance 440W RGBW LED wash luminaire with phenomenal light output that can be used for a variety of entertainment and architectural lighting scenarios including the application of dynamic colour changing effects to building exteriors and façades, or illuminating complete areas with subtle CCT controllable white light. A high IP rating of 67 and 2-year warranty underline the reliability required for the most demanding events, concert tours, TV productions and permanent installations. The compact size and low weight of the Divine combined with its adaptability make installation a smooth and streamlined process. The fixture is supplied with universal base adaptor for floor-standing or mounting on the truss via one or two clamps. Available in three different beam angles: 16°, 24°, 41°.
