

ROBIN ParFect S1 23°

Including Accessory Frame Adaptor, Barndoor, Gel Frame

Reference: ROBIN-ParFect-S1-23
EAN13: -

A powerful single source LED luminaire designed specifically to provide the highest quality of light. Available in different colour temperatures to suit the application - from crisp 6.000 K white for exhibition/display, through 4.000 neutral white for shops to a warm 3.000 K or 2.700 K for stage performance. High resolution DMX dimming and a native 23° output, make it universally appealing. Designed and built entirely at our Czech facility in a lightweight composite material finished in either black or white. Supplied complete with gel frame, detachable barn door set, swivel floor stand/hanging bracket and standard diffuser 28°. Very competitively priced and offered with a full compliment of additional cost options including: beam diffusers (40°, 50°, 62°x46°, 70°x48°) and plug-in wireless DMX module.
