
ROBIN ParFect SB1 23°

Reference: ROBIN-ParFect-SB1-23

EAN13: -

This Parfect SB1 is specifically geared towards fixed installations without DMX controlling and this affordable unit features easily reachable jog dial and button for smooth high resolution dimmer adjustment. A powerful single source LED luminaire has been designed specifically to provide the highest quality of light with high CRI. Available in different colour temperatures to suit the application – from crisp 6.000 K white for exhibition/display, through 4.000 neutral white for shops to a warm 3.000 K or 2.700 K for stage performance. High resolution DMX dimming and a native 23° output, make it universally appealing. Designed and built entirely at our Czech facility in a lightweight composite material finished in either black or white. Supplied complete with gel frame, detachable barndoor set and swivel floor stand/hanging bracket. Very competitively priced and offered with a full complement of additional cost options including multiple beam diffusers.
