
ROBIN CycBar 15

Reference: ROBIN-CycBar-15

EAN13: -

Robin CycBar 15 is a lightweight static 1000 mm linear strip which uses 15 equally spaced superbright RGBW multichip LEDs for enhanced 18bit smooth colour mixing and linear dimming without RGB 'breakup' or grey shadows. Fixed but redefinable beam angle allows use of optional diffusers. Advanced pixel control based driver software provides special features like the virtual colour wheel with pre-programmed colours and a set of true whites with CTO Tungsten lamp emulation and more. A practical and highly readable small display provides a menu with personality settings plus DMX and RDM protocols.
