Alef15, Bi-Color

Reference: PPL-015BIC

EAN13: -

Alef is arguably one of the coolest LED lights on the market. The splendid enclosure is crafted with aircraft-grade aluminium and has various handy features such as a hassle-free, detachable diffuser plate, built-in DV battery mount and standard 1/4"-20 threaded hole. Alef can also be powered by a wide variety of different inputs (USB-C, DV battery and V-mount battery through a D-tap cable), which is a real boon to photographers, vloggers and filmmakers alike.
