Principales caractéristiques

Collier 50mm standard ALU + anneau M12 SWL 340kg . (Ref : DO D/T57205)

Doughty Hanging Clamp - 340Kg

The industry standard half coupler factory fitted with an Eye Nut. A high tensile extruded aluminium clamp that is suitable for 48mm to 51mm (1.89" - 2.01") diameter tubes and is 50mm (1.97 lbs) wide. Ideal for trussing as it will not damage the cords.

Available in polished silver or powder coated black.
