

Crochet pince réglable 5mm50mm Finition NOIR

DO DG116001

Principales caractéristiques

Crochet pince réglable 5mm50mm Finition NOIR . (Ref : DO D/G116001)

Supaclamps

Supaclamps are pressured die cast aluminium clamps capable of clamping any surface from 13mm flat to 50mm diameter pole. Rubber grip pads prevent damage to surfaces. They are supplied with a wedge to grip flat surfaces. There is a full range of snap-in accessories to complement these versatile clamps.
