

Double Collier orientable 360 degrés LIGHTWEIGHT SWL 500 kg

DO DT58120

Principales caractéristiques

Double Collier orientable 360 degrés LIGHTWEIGHT SWL 500 kg . (Ref : DO D/T58120)

Lightweight Swivel Coupler

A pair of high tensile extruded slimline aluminium clamps back to back and designed to swivel 360°, that are suitable for 48mm to 51mm diameter tubes and are 50mm wide. Ideal for trussing as it will not damage the cords. Available in polished silver or powder coated black.
