

KELVIN Light Modifier Kit - PLAY series

KV KPLAYAK1

Principales caractéristiques

Kelvin Light Modifier Kit pour serie Kelvin Play. - Reference : KV KPLAYAK1 -

Thanks to our highly reflective fabrics you will get maximum light output. Even without a baffle, they deliver even illumination across the front.

Key features:

Intensified soft light. Shine bright. The Kelvin made by DoPchoice SNAPBAGS® use reflecting fabric to intensify the light of your lighting fixture.

Easy handling. It's a snap. Mounting the Kelvin made by DoPchoice SNAPBAGS® can be done in a matter of seconds.

No Speedring. No Hassle. The Kelvin made by DoPchoice SNAPBAGS® don't need a Speedring, unless you really want to use one.

Setup:

This flexible solution makes it quick, easy, and intuitive to set up a SNAPBAG®. Click out the arms, and sets them on the fixture. Lantern mounting takes a simple push

open and a pinch to lock. Releasing takes a simple push of a button and an easy pull off. Done. Enjoy your ultimate Kelvin lighting kit.

What's in the box :
