

Dome Diffuser- SpaceX

CS CSXDOME

Principales caractéristiques

Diffuseur dome Creamsource SpaceX. (Réf : CS CSX-DOME)

The SpaceX Dome soften and defuses the punchy 115° light beam angle. This is perfect for splashing soft creamy light in a room or using the SpaceX as a key light.

The Dome attaches to the 3 spring loaded latched that are also used to fix the SpeedRing to the SpaceX.
